**Forever**

## A Love That Lasts Forever

Planned Giving serves as a powerful legacy bridge, connecting your values and commitment to the enduring success of BB&N. By making a planned gift, you create a lasting impact that supports the school's mission while benefiting both you and BB&N in meaningful ways. There are numerous options available, each offering unique opportunities to shape this enduring connection.

## A Legacy of Caring and Compassion

A planned gift is a meaningful way to show your care and commitment to the BB&N community. By including BB&N in your estate plans, you can help support scholarships that open doors for deserving students, fund innovative programs that inspire future leaders, and ensure the continuation of the school's tradition of excellence. Your generosity leaves a lasting legacy, empowering the next generation to thrive and succeed.

**“I view my bequest intention not merely as a contribution, but as an investment in the values and principles that define BB&N’s community.”**

**NANCY MORSE TORTI, BUCKINGHAM '60**

**“ I give to BB&N because they gave me – and I believe today’s students – a quantum leap in academics and life skills.”**

**GORDON LUNN, B&N '52**

If you have included BB&N in your estate plans, we invite you to scan the QR code to join **BB&N’s Planned Giving-Almy Society**

by completing our *Non-Binding Planned Gift Intention and Designation Form*.

If you prefer to learn more about Planned Giving at BB&N, please visit our website at <https://giftplanning.bbns.org> or scan the QR code:
